STAFF MOTION TO MODIFY SCHEDULE APPROVED IN ORDER NO. 8259

The Staff of the Delaware Public Service Commission ("Staff"), by and through its counsel, hereby moves the Delaware Public Service Commission (the "Commission") to modify the schedule for submission of comments on the Integrated Resource Plan ("IRP") filed by Delmarva Power & Light Company ("Delmarva" or the "Company") on December 6, 2012 and for Delmarva's reply comments (if any), and in support thereof states as follows:

1. On December 6, 2012, Delmarva filed its statutorily-required IRP. On December 18, 2012, by Order No. 8259, the Commission opened this docket, set an intervention deadline, and also established the following dates for the submission of comments on the IRP:

- March 29, 2013: Interested parties and entities
- April 26, 2013: Delmarva reply comments

The Commission also designated Hearing Examiner Mark Lawrence to conduct or supervise any proceedings as he deemed necessary or

appropriate to construct an adequate record, and directed Hearing Examiner Lawrence to submit a Report with his proposed findings and, if necessary, recommendations concerning what action(s) the Commission should take in response to the IRP.

2. On February 28, 2013, Hearing Examiner Lawrence circulated his proposed schedule consistent with the Commission's prior order that required comments on the IRP to be filed by March 29, 2013. He also granted the intervention petitions of Calpine Mid-Atlantic Energy, LLC ("Calpine"), the Delaware Department of Natural Resources and Environmental Control ("DNREC"), the Mid-Atlantic Renewable Energy Coalition ("MAREC"), and the Delaware Chapter of the Sierra Club (the "Sierra Club"). The Division of Public Advocate ("DPA") and Caesar Rodney Institute ("CRI") had previously intervened.

3. Since the filing of the IRP, Staff has received numerous inquiries from members of the public. In light of the number of inquiries and the complexities of the issues those inquiries have raised, and consistent with the procedural process used to resolve the prior IRP in PSC Docket No. 10-2, Staff believes that it would be in the public interest to conduct workshops to discuss the IRP and to answer any questions intervenors, the DPA, and Staff may have. While Staff sought to

conduct such workshops prior to the March 29, 2013 deadline for comments, the participants' schedules would not permit it.

4. Consequently, on February 28, 2013 Staff wrote to Hearing Examiner Lawrence requesting that the proposed schedule be suspended until June 1, 2013 to allow workshops to be held prior to the participants filing written comments. On March 4, 2013 the Hearing Examiner wrote to the parties granting Staff's request that the schedule be suspended until June 1, 2013.

WHEREFORE, for the reasons discussed above, Staff respectfully requests the Commission to enter an order in the form attached hereto extending the date for filing comments on the IRP to June 1, 2013, extending the date for Delmarva to file its reply comments, if any, to June 30, 2013, and permitting the Hearing Examiner to modify the schedule without further Commission consent for good cause shown.

Respectfully submitted,
